Hi Priscilla,

It's that time again and Im fundraising again for Shop

With a Cop. Ring has been so generous in the past that I thought of you again this year. I have attached the official ask letter which should

have all the information you require for the donation. Also here is a break down of what you needed last year.

1. Rachel Del Toro - member of Shop with a Cop commitee

2. Sgt Rachel Del Toro

Chula Vista Police

Community Relations Unit

315 Fourth Ave

Chula Vista Ca 91910

3. Shop with a Cop -San Diego Crime Commission

4.501(c)(3) #95-3755649

Of course we completely understand if your unable to donate a ring again this year and thank you for your consideration in this matter.

Hope all is well

Rachel

Good morning,

Thanks for reaching out to Ring. Unfortunately we can't completely accommodate with the raffle basket but what we can do is donate a Ring Video Doorbell as the main attraction of a basket that the organization can potentially build. If you want to proceed with that option let me know so we can gather the necessary information to complete the process.

Have a great day!

Subject: RE: Welcome to Ring Portal, Chula Vista PD!

Hi Angela,

I was able to successfully create an account, so thank you for the easy-to-follow steps.

I noticed that the map of Chula Vista is upside down, however. The water is supposed to be on the west and the Mexico border is south of CV, not north. Was there a reason behind this format? If not, I just thought I'd point this out and get it corrected.

Thanks in advance!

Very Respectfully,

Hello,

Thank you for joining the Ring training last week. For those of you who may have missed the training, please check out the Portal Resource link below to guide you along how to submit a video request and post to the Neighbors feed.

Below are some tips to get you started on Portal.

Create an Account - Everyone on this email should have received an invitation email.

**Please use Chrome or Firefox. Internet Explorer is not compatible.*

1. Check your inbox for an invitation email from no-reply@ring.com
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

**If you would like to receive email notifications whenever a resident posts a crime, you can assign yourself to the "Assigned Area" of the jurisdiction on your Profile settings.*

References

1. [Portal Resource Center](#) - For instructions on submitting video requests and legal guidelines around submitting preservation request/subpoena/search warrant.

Law Enforcement Discount on Ring Devices

Get **\$50 off*** (per device) on our doorbells, security cameras, and alarm system when you use discount code **NBCVPD** on [Ring.com](https://www.ring.com) and check out using your government email address.

**Discount excludes the \$99 Video Doorbell Classic and is not applicable to bundles or accessories.*

Ask Your Community to Join Neighbors. Portal grows in value with each resident that downloads the Neighbors app. Neighbors is a free app that anyone can download and use, whether they own a home

surveillance system or not. They can download the app directly at <https://download.ring.com/chulavista> or by texting "**chulavistaca**" to 555888.

Lastly if you have a free moment, please click [here](#) to take a quick 2 minute survey on last week's training. Please let me know if you have any questions at all and feel free to reach out directly if you need anything!

Thank you,

Angela Kang

--

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Thank you for the follow up Angela,
While we are very excited about this new venture, we have some upcoming promotions and assignment rotations that we are waiting to hear about. They should be taking effect next week. I will be out of town on vacation as well. I would like to hold off until the announcement are made as I have a feeling that Sgt. Giaime will not be the one responsible for overseeing this project.

If it is OK with you, can we hold off until the week of the 27th to see where we stand?

While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Hello Lt Martin,

We're also very excited to bring your agency onto this platform as we believe it will make your jobs a little bit easier. I look forward to working with you to onboard Chula Vista PD to the Portal. For the immediate interim, I have two questions to follow up with you.

- 1) Please advise a time preference this week or next week for a 1 hour webinar that works with you and your stakeholders. During this webinar, I will go over the logistics on what to expect on the day of the in person onboarding (will occur in the next 30 days) and then give you a preview of the Portal via a computer screen.
- 2) Can you please advise the names and emails for the below stakeholders so I can include them on the webinar invitation?

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account

managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups program that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Hi Angela,

Sgt. Ernie Pinedo was selected to fill Lt. Giaime's position and is official in place. He is cc'ed on this e-mail and will be the point of contact. I have a Community Service Officer who will be also coming into the unit as of June 21. Her name is Sarah Camacho. I also cc'ed her so that she is in the loop.

Thank you for your patience and assistance with this.

Thank you for the follow up Angela,

While we are very excited about this new venture, we have some upcoming promotions and assignment rotations that we are waiting to hear about. They should be taking effect next week. I will be out of town on vacation as well. I would like to hold off until the announcement are made as I have a feeling that Sgt. Giaime will not be the one responsible for overseeing this project.

If it is OK with you, can we hold off until the week of the 27th to see where we stand?

Henry

Hello Lt Martin,

We're also very excited to bring your agency onto this platform as we believe it will make your jobs a little bit easier. I look forward to working with you to onboard Chula Vista PD to the Portal. For the immediate interim, I have two questions to follow up with you.

1) Please advise a time preference this week or next week for a 1 hour webinar that works with you and your stakeholders. During this webinar, I will go over the logistics on what to expect on the day of the in person onboarding (will occur in the next 30 days) and then give you a preview of the Portal via a computer screen.

2) Can you please advise the names and emails for the below stakeholders so I can include them on the webinar invitation?

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

In the meantime, please let me know if you have any questions or concerns.

Email**

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account

managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups program that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Sincerely, Ray

Hi Ernie, Sarah,

Very nice speaking with you today! Below is a recap of what we spoke on and the few action items I need.

1. 45 min Stakeholders Webinar: This is me "training the trainers" to get the stakeholders to understand the Ring Portal so they can determine the best way to roll out the tool within their units. We suggest that 1-2 reps from each group below attend this webinar as they will be the go-to person if anyone within their units have questions. Can you please suggest a few dates/times within the next week?

- a) Community Outreach: Community Service Officer/Community resource officer, those who attend HOA neighborhood watch meetings
- b) PIO/Social Media Committee
- c) Investigations/detectives
- d) Crime analysts
- e) Road Patrol Officers

On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.

2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?

3. Portal Setup

- a) **Law Enforcement User List:** Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?

b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.

c) Browser Compatibility: Reminder to use Chrome or Firefox.

Please reach out if you have any questions.

We suggest that 1-2 reps from each group below attend this webinar as they will be the go-to person if anyone within their units have questions. Can you please suggest a few dates/times within the next week?

- a) Community Outreach: Community Service Officer/Community resource officer, those who attend HOA neighborhood watch meetings
- b) PIO/Social Media Committee
- c) Investigations/detectives
- d) Crime analysts
- e) Road Patrol Officers

On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.

2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?

3. Portal Setup

a) Law Enforcement User List: Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?

b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.

c) Browser Compatibility: Reminder to use Chrome or Firefox.

Please reach out if you have any questions.

Thank you,

Angela Kang

Angela,

It was great speaking to you. I made one mistake with the second date, its actually Tuesday, July 16 at 8 am. This will be a meeting with most investigators, so I believe it will be beneficial to keep the normal webinar information. Let me know if you are able to complete webinar on 7/16.

Hi Ernie,

Are there any other days besides Thursdays that works for you and the team? My husband has early morning shifts on Thursdays and unable to drop off our son at daycare on my behalf.

Thanks,

Angela

Hi Ernie, Sarah,

I'm sorry, but I will need to reschedule the webinar tomr at 8am. My little boy caught [REDACTED] today and cannot go to daycare for the rest of the week. Since I cannot find a sitter on such short notice, can we please do the webinar on July 23 Tuesday morning instead? If not I am free all July 25 Thursday.

Thank you and apologize for the last moment's cancellation.

Hello Angela,

Yes we plan to send out information via the major social sites to inform citizens about CVPD's partnership with Ring. What time will you be down in Chula Vista? Also, I received the items you sent, thank you for that. Since only citizens will be eligible for the items you sent, CVPD employees are asking if there is an opportunity for them to purchase Ring products at a discounted price? Let me know if you have any questions.

Wonderful, thanks Ernie! I'll get everything prepared for the 7/26. Do you plan to do any press release beyond that in app courtesy message that Ring sends out to your communities users that CVPD has joined the platform? If so let me know so I could get your connected with our PR person. All PR needs to get approval from our PR team to ensure messaging is aligned.

Hi Ernie,

I will see you tomorrow for the below sessions. I'd like to get there earlier to set up so I will be there around 9am if that's okay.

- Session #1: 10-11am
- Session #2: 11:30-12:30pm

Can you please reconfirm below is the correct address and that there is parking available? I will ask for you when I arrive at the front desk.

315 4th Ave
Chula Vista, CA 91910

Also, are you and Sarah available for lunch (or coffee break if time is tight for you) after the sessions? I'd like to take you out if you're free. Feel free to invite others if you'd like.

Thank you,

Angela Kang

Hi Ernie,

Just wanted to check in on the beats or assigned areas for Chula Vista PD and make sure you don't see a need for this?

b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.

Hi Ernie, Sarah,

Very nice speaking with you today! Below is a recap of what we spoke on and the few action items I need.

1. 45 min Stakeholders Webinar: This is me "training the trainers" to get the stakeholders to understand the Ring Portal so they can determine the best way to roll out the tool within their units. We suggest that 1-2 reps from each group below attend this webinar as they will be the go-to person if anyone within their units have questions. Can you please suggest a few dates/times within the next week?

- a) Community Outreach: Community Service Officer/Community resource officer, those who attend HOA neighborhood watch meetings
- b) PIO/Social Media Committee
- c) Investigations/detectives
- d) Crime analysts
- e) Road Patrol Officers

On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.

2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?

3. Portal Setup

a) Law Enforcement User List: Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?

b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.

c) Browser Compatibility: Reminder to use Chrome or Firefox.

Please reach out if you have any questions.

Hi Ernie, Sarah,

Very nice speaking with you today! Below is a recap of what we spoke on and the few action items I need.

1. 45 min Stakeholders Webinar: This is me "training the trainers" to get the stakeholders to understand the Ring Portal so they can determine the best way to roll out the tool within their units. We suggest that 1-2 reps from each group below attend this webinar as they will be the go-to person if anyone within their units have questions. Can you please suggest a few dates/times within the next week?

- a) Community Outreach: Community Service Officer/Community resource officer, those who attend HOA neighborhood watch meetings
- b) PIO/Social Media Committee
- c) Investigations/detectives
- d) Crime analysts
- e) Road Patrol Officers

On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.

2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?

3. Portal Setup

a) **Law Enforcement User List:** Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?

b) **Beats Map:** If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.

c) **Browser Compatibility:** Reminder to use Chrome or Firefox.

Please reach out if you have any questions.

Thank you,

Angela Kang

•
• Hello folks,
•

• We will go live with Ring today Tuesday, 7/30. I have attached a reference sheet provided by Ring. You all
• should have received an email over the weekend to join the Ring portal. Only caveat is remember to use
• Internet Explorer Dev to run the program. Our awesome IT department is confident Dev will work. Bob is going
• to send everyone a cheat sheet on how to use Dev without making it your default browser. The Ring reference
sheet also has a discount listed so we as employees can purchase Ring products. Hold off on that, waiting for
approval from command staff to use the discount.

Email

Hi Sarah, Ernie,

I forgot to send this through to you when I sent you the donation devices. Can you please review and confirm your acceptance of the following terms by hitting reply to this email and stating **"I Accept"**:

- 1.
2. You will provide the donated devices to members
3. of the community. You will ensure that the donated devices are not provided to employees of your
4. organization or a member of an organization's immediate family, and represent and warrant that acceptance of that donation complies with state and local law and your organization's rules.
- 5.
- 6.
7. You will not impose any requirements or restrictions on any recipient's use of the donated device.
8. For example, you may not require (a) that recipient provide recordings captured by the donated devices to anyone (including law enforcement) or (b) that recipients participate in a camera registration or similar program as a condition of receiving the donated
9. device or otherwise.
- 10.
- 11.
12. You will not use or store any personally identifiable information of the recipient of a donated

- 13. device other than as necessary to confirm his or her eligibility to receive the device.
-
- 14.
-
- Let me know if you have any questions or concerns.
-

Thank you,

Angela Kang

Hi Ernie,

Sorry for the late response. Hope you're having a great week so far!

I have added Sharyl to the Portal and she should be able to log in with her work email and create a password.

I was told that in the near future that I will lose the ability to add people to the Portal for various reasons. Any admin from your agency should be able to add the users easily by going to "Manage Users". :) Please let me know if you have any questions!

Hello Lt Martin,

We're also very excited to bring your agency onto this platform as we believe it will make your jobs a little bit easier. I look forward to working with you to onboard Chula Vista PD to the Portal. For the immediate interim, I have two questions to follow up with you.

1) Please advise a time preference this week or next week for a 1 hour webinar that works with you and your stakeholders. During this webinar, I will go over the logistics on what to expect on the day of the in person onboarding (will occur in the next 30 days) and then give you a preview of the Portal via a computer screen.

2) Can you please advise the names and emails for the below stakeholders so I can include them on the webinar invitation?

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

In the meantime, please let me know if you have any questions or concerns.

Thank you,

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.

- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Sincerely, Ray
